

UL seeks DS

University Libraries

Dept. of Statistics

WANTED: Partner with Statistical Skills

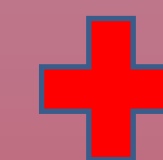

The UL needed statistical expertise but lack monies.

The DS graduate students offered statistical consulting but needed to be paid.

The UL and DS agree to share a graduate student.

The UL had unused tuition slots.

The DS wanted to admit more graduate students.

We both win!

Building a Cross-Campus Collaboration that Supports Learning and Assessment

About our match

The UL currently shares a graduate student in statistics with the Statistical Consulting Center.

Benefits

- ♥ DS gains a student.
- ♥ UL tuition slot is put to good use.
- ♥ DS provides support and oversight.
- ♥ UL gains a dedicated statistical expert.
- ♥ Creates positive feelings between units, leading to other collaborations.

(UL now has 3 graduate assistants !)
